

City of Wagoner Waterpark

*Located in
Maple Park
at NE 2nd
& Story*

The waterpark includes a 240,000 gallon pool with several areas of water fun. About 70 percent of the pool area is four feet deep or less so that you can enjoy the water at your leisure. It is zero-level entry, which means you can walk right into the pool without having to go down steps. Serious swimmers will enjoy a diving board at the deep end of the pool. And, if you're ready for some real fun, climb the ladders to shoot into the pool via one of our two water slides! You can take the open chute for a winding ride down or the enclosed tube for a faster shot at hitting the water. For the youngest water enthusiast, there is a special kiddie pool where children may wade in the water and get acquainted with our new water features. There is also a raindrop umbrella in the main pool. Come beat the heat this summer and make memories that will last a lifetime. Lifeguards on duty and concessions are available. Enjoy!
