Lincoln Park is located at SW 8th and Polk in Wagoner, Oklahoma.

These bricks are laser etched for durability and will be shipped to the City of Wagoner upon completion of the fundraiser in the spring. We will use them to surround our future flagpole and landscaping. Please consider helping fund Lincoln park. We were donated the playground that has just been installed there. We have swings, tether ball, a pavilion, a bathroom, a toddler play area, ADA sensory chimes, ADA swing seats, a merry go round, a wheelchair swing platform that holds adults, toddler swing seats, concrete work, plumbing work and dirt work donated as well. Be looking for those to be installed over the next few months.

We have other dreams. A splashpad, pickleball courts, resurfacing the basketball court, sidewalks and eventually a parking lot. These need your help to achieve. Help us give our kids the quality of life they deserve in the City of Wagoner one brick at a time. Together we can make this dream a reality!

Thank you for your continued support.
